Wonderful friend Marc - HAHHA
 Well its been fun riding to
 school with you this year,
 I'm a nervous wreck now but
 that's O.K. So bad we didn't
 ever go out for the same sports
 this year, we'd have had fun
 loafing together. Next year
 we'll have fun though.
 Bob Balst

Dear Marc
 Someone who I know who really

Every day the sun rises and sets around the shrine. Inside her great walls can be found an education, even greater than that obtained from books. Her corridors are paths that lead to the highest phases of life. To all who enter her portals, her face carries a message. Her outer frame portrays the symbolic traditions of her environment.

The inner walls of her structure house a tremendous spirit, which is true of those who hold her up as their idol. Her hands extend a hearty welcome to all who seek new and glorious adventure. Those who delve into her books of knowledge will be rewarded for life.

During the day she is subjected to many trials and tribulations, but at night her strength is regained with silence. In the still of the dawn she poses for great artists, although the colors on their palettes cannot reproduce the splendid blending of her natural beauty.

In the fall a new flock of fledglings seek her support in an important task which is placed upon all who are yet young. During the winter months she watches girls become ladies, and boys become gentlemen. Then in the spring the fledglings fly away, having been fed wholesome provender gathered from the fields of knowledge, and she is once more alone.

But as mortals seek her aid in a troubled world, she can proudly hold her head up high, for she knows her educated children will face their problems with confidence.

Every day I approach my shrine, my temple. Yes, every time I gaze upon her beauty my heart swells with pride. My eyes and voice reflect my true feelings for you see she's my present life, she's my door to the world, she's NORTH HIGH.

DAGMAR MCGILL, '50

Within the walls of North High,
That surround us here today,
Dwell all our fondest memories
Though we're far, far away.

The splendor of her structure
Conceals with rich disguise
An even greater beauty
Which deep within her lies.

The friendships that we've made here
Live on though we'll depart;
The good times shared together
Forever warm each heart.

Her river and her tower,
Symbolic still shall be;
Her beauty and her splendor
Remain for all to see.

Administrators Lay Plans

C. E. Strange, principal, served North since 1944. His friendliness and strong dedication to his work showed his great interest in young people. He mastered the administrative problems and assumed the responsibility of attending many extra-curricular activities. Mr. Strange was admired and respected by those who were acquainted with him during the past year.

Dr. Wesley Lauterbach, vice-principal, had a variety of duties including the handling of disciplinary problems, schedules, enrollment and several of the activities.

Dean Stucky, assistant principal, also had many responsibilities. Some of his obligations were checking out students, making out pass cards and assigning detention.

Eighty-Two Teachers Teach Many Subjects in Eleven Fields

Varied courses were offered in North's eleven departments: art, business, foreign language, homemaking, industrial arts, language arts, mathematics, music, science, social studies and physical education. Sixty-five subjects were taught by eighty-two teachers, seven of whom were new this year. Seventy well-equipped classrooms held the eighteen hundred students quite comfortably.

North's faculty and office staff, led by the administration, worked together to prepare young people for the future. Their guidance and loyalty made North what it is today, an outstanding school for those who seek education.

Modern Equipment, Better Teaching Methods Aid Education

The 1961-1962 school year at North included many new methods of teaching. Seniors were required to take an English course in their third year. They chose from a number of courses including 12C, college reading, English literature, world literature, journalism, speech or dramatics. A new course added this year was English V-VI. This particular class was taught without the college emphasis.

New and better equipment was furnished to aid in demonstrations and provide learning by doing. A Multilith Offset Press and Philco unit were added to the industrial arts department. New acquisitions of the business department included ten Victor ten-key adding machines, one Merchant calculator and the newest and latest invention in typewriters, the IBM Selective Student Typewriter.

The book rental system was also changed. Each student taking at least four courses paid an eight dollar fee at the beginning of the school year for book rental. This process omitted the used book sales by the bookstore.

The PTA ice cream social was moved into the gymnasium because of cold weather. Around the table are Robert Temple, Mrs. Henry Johnston, Mrs. Randolph Woelk, Mr. Woelk, Mrs. Tom Lent, Mr. Lent, Hardy Dunn, Mrs. Dunn and Henry Johnston.

Having a "gab fest" are Paul Andree, J. W. Kincaid, Otto Irby and Charles Brooks. With his back turned is Robert Wright.

Sampling Christmas goodies at the annual homemaking department's party are Mrs. Lois McPherron and Miss Bernice Payne. Students serving are Sue Nazel and Beverly Bolan.

Officers Direct Fellow Juniors

The junior class officers were elected in the spring of their sophomore year by the members of their class. In October, the juniors sponsored an all-school dance, "Hitch Your Wagon to a Star."

The junior class officers, together with the senior class officers, planned the junior-senior prom, "Cupid's Ball," held February 3. The officers also chose the 1963 class rings.

Juniors helped in other school activities such as the water festival, pep assemblies and sports events. In the spring, the class elected officers for their senior year.

The members of the class of 1963 showed responsibility as they conquered the obstacles which faced them. They displayed many good qualities which will help make them outstanding seniors.

Industrial Arts Subjects Differ

The industrial arts department offered a number of specific courses. Auto mechanics, auto information, drivers education, electricity, general metals, mechanical drawing, printing, girls' home mechanics, and woodwork made up the curriculum.

A new Multilith offset printing press was purchased. When fed automatically, it produced 4,500 to 7,500 copies each hour. The press was used to print many leaflets, bulletins, programs and the quotation calendars.

Additional equipment for the electricity classes was the Philco demonstration unit. Its outlets for connections produced basic electronic circuits and systems which proved beneficial to the students enrolled in the course.

Each class of the industrial arts department used the new display case in the hall by the general metals classroom. On exhibit were various notebooks and other items constructed by the students.

A few seniors were selected by history or government teachers to take international relations, a one-semester course dealing with the relationship of the United States to other countries. Others were selected for Honor Seminar, a course dealing with different forms of government.

For the laboratory science required for graduation, students chose from biology, chemistry, geology, physics and physiology. Since beginning biology was offered during ninth grade, many students were able to take four or perhaps more science courses while in high school.

Desire Is Named Factor in Football Success

When asked about the 1961 football team, Paul Andree, coach, stated that desire was a main point in Redskins' success. "This year's team had more desire than any team since I've been at North. This desire was a big factor in the 6-3 season the boys fashioned."

The 6-3 record does not tell the whole story, for of the three losses, two could have been victories. Salina won 12 to 7 on a last minute pass, and Southeast won 7 to 0 with a last quarter touchdown and conversion.

The defensive team on this year's squad provided many of the season's high points. For example, in the North-Kapaun game two goal-line stands in the closing minutes of the game proved to be the turning point of the game as North won 6 to 0.

Again in the West game it was the defense which assured the victory. By holding West for four downs within the three-yard line the defense saved a 20 to 14 win for the Redskins.

On the left Evan Johnson was about to be stopped, but not before he returned a stray Hutchinson pass to the Salt Hawk 10-yard line. On the right Jim Pitts gained ground in the West game. Chasing Jim was Bill Moore of West.

Underclassmen Show Promise

The North B squad began the season with four straight victories, only to suffer losses in the final two games. The offensive team was superior throughout the six games. North scored in every game, and the defense held its opponents to an average of 8.5 points a game.

The sophomore football team ended the season with two wins and four losses, three of the losses came by forfeits because of an ineligible player.

Both of the underclassmen squads showed promise with a fast backfield and a determined line. Next year's team will have the needed experience with ten lettermen returning.

North Thinclads Run in State

The climax of the cross-country season was the State cross-country meet. Charles Harper of North placed second in this event, finishing just three seconds behind the pace-setter. North placed third in its regionals to qualify for the state meet where it placed eighth.

During the regular season the North team captured a first place in the Southeast invitational in addition to a second and two third place finishes. The squad's leading runner will be back next year.

Charles Harper (79), Henry Bell (86), John Hewitt (83) and Pat McCarty (80) started the regional cross-country meet in which North finished third to qualify for the state meet.

Bad Luck Plagues Wrestlers

The wrestling team had bad luck the past season, ending the season with only two victories in eight dual meets. Though the records show six losses, this does not tell the whole story. The Red-skin matmen lost three meets by a one-point margin.

Marvin Albertson, wrestling in the 127 pound class and the 133 pound class, was the lone North wrestler to go undefeated until the regional meet. North tied for ninth in the regional meet, and by doing so sent two wrestlers to the state meet.

Making up the wrestling squad, front row, left to right were: Richard Ebel, Pat Dye, Jerry Witt, Alfred Beard, Gary Brown, Gilbert Moreno, Peter Richert. Redskins Take Regionals

The basketball team ended the season with fourteen wins and eight loses. Entering league play as defending champions the Redskins tied with South for second place. North finished league play with five wins and three loses.

This year marked the third straight year that North has won its regionals, and by doing so earned the right to play in the state tournament. North was placed against Wyandotte in the first game and was eliminated by the Bulldogs.

Riney Lochmann, a member of the basketball squad for three years, was picked before the season as a pre-season All-American by Dell Sports Magazine. Riney was also selected to the All-State first team.

Gene Hinkle attempted a free throw in the Derby game. Other North players were Gerald Rasdon (35) and Riney Lochmann (44). North won in an overtime 70-68.

Finmen Show New Look

A swim team anchored by sophomores and juniors and an improved season's record was the new look at North this year. The team, of which only two were seniors, won four dual meets and were undefeated until the fourth swim meet of the season.

North sent eight finmen, six underclassmen, to the state meet, and although none placed in the meet, it was worthwhile experience for those members of future North swim teams.

Gymnasts, Putters Have Skill

The possibilities for a good gymnastics team for next year appear good, for North will have two returning lettermen. These boys, along with others from North, qualified and represented North in the State gymnastics meet.

Courtney Worley performed his routine on the horse.

The golf squad with five returning lettermen had a good chance of copping the City League title this year. In its first outing the golf team impressively beat West 53 to 25.

Track Team Surprises Foes

The track team was a surprise to many of its opponents during the 1962 season. With only four returning lettermen to lead the squad, North was considered a pre-season underdog. After holding many hard practice sessions, the track squad entered the South Invitational and the East Invitational.

Riney Lochmann, running anchor, sprinted for the finish line in the relay race.

Jim Smith and Pat McCarty finished fast in the 880-yard race.

Up against some of the finest athletes in the state, the North track team placed second in both meets. Following these invitationals, North was host to eight schools in the North Invitational. Filled with determination, the Redskins came home with 55½ points to capture first place.

Robbie Bell, left "flew through the air with the greatest of ease" in the broad jump. Mack McDoniel, center, attempted to clear the bar at six feet four inches. Gene Hinkle, right, displayed the form which enabled him to be North's top hurdler.

Pitching Machine Is Valuable

Six returning lettermen and a host of talented underclassmen boosted the baseball team's chances in the scramble for the City League title and possibly a state championship.

In winning two of its first three games, the baseball squad pounded out 23 hits to show the value of the newly purchased pitching machine. The machine, which hurls the balls almost 90 miles per hour, enabled the Redskin sluggers to perfect their batting styles and their averages.

Netsters Reign as Champions

The North tennis squad began league play as the defending champions. North has finished either first or in a tie for first since the Wichita Public School League was organized. The Redskins were co-champions with East in 1958 and have reigned as champion since the 1959 season.

This year's team was supported by five returning lettermen. Although the five lettermen were seniors, the juniors and sophomores obtained valuable experience by playing in the B meets.

Bill Plant served to his opponent in the South meet.

Boys on the tennis squad were, first row, left to right: Walter Mooney, Terry Lee, Walter Fitch, Richard Lawson, Gary Wright, Bill Rapps, Henry Blase, Ted Field, Bill Plant, Neil DeLapp, J. D. There is a stamp in the bottom right corner of the page, which is a pinkish-red ink stamp. It is a rectangular stamp with a double border. Inside the border, the text "The University of Texas at Austin" is written in a circular arrangement around the perimeter. In the center of the stamp, the words "LIBRARY" and "STAMP" are visible, though they are somewhat faded and difficult to read clearly. The stamp appears to be a library or archival mark.

Marc,
You're a real

heart of gold.
